### Free Parking for ALL-Electric Cars

*City Initiates ALL-Electric Car Incentive Program Pilot Project*

**WHAT:** The City of Cincinnati will hold a press conference to kick-off its' ALL-Electric Car Incentive Program Pilot Project. The program, a part of the Green Cincinnati Initiative provides free parking for ALL-electric cars in the Fountain Square South Garage (416 Vine Street), Garfield Garage (13 W. Ninth Street), Fifth and Race Parking Lot and the Seventh Street Garage (Level 3 only). This incentive program will also include free parking for ALL-electric cars at any parking meters within Cincinnati city limits.

Parking in the designated City garages will be on a first come, first serve basis with no overnight privileges. ALL-electric cars parked at a parking meter will receive free parking for the time permitted by the parking meter. Limits on the duration of parking and other posted parking restrictions will still apply. This free parking program is for ALL-electric cars only and does not include hybrid vehicles.

The press conference is being held on Fountain Square. An electric vehicle will be on display during the press conference.
