Everything You Ever Wanted to Know about Cincinnati's Budget but Didn't Ask

Featuring Lea Eriksen, Budget Director, Office of Budget and Evaluation, City of Cincinnati

As we plan for Cincinnati's future, many of our Working Groups wanted to gain a better understanding of Cincinnati's budget and our budget process.

We heard questions such as:

"Where does our City's revenue come from?"

"What are our operating expenses?"

"What is the difference between the capital budget and operating budget?"

"How much money do we receive from the Federal Government and the State of Ohio?"

"How much does the City get from property tax or income tax?"

and more!

Please join us for a presentation by Cincinnati's Director of Budget and Evaluation, Lea Eriksen, followed by a question and answer session.

This Learning Forum is open to all Working Group members, Steering Committee members and anyone interested in Plan Cincinnati.

When: Wednesday, August 18, 2010

**Where: J. Martin Griesel Room
Centennial Plaza II
805 Central Avenue, 7th Floor**

Time: 5:30 pm to 7:30 pm
