CITY OF CINCINNATI – SUMMER GARBAGE COLLECTION SCHEDULE

Cincinnati, OH – The City of Cincinnati will begin its summer schedule for garbage collection on Monday, June 1, 2009. Garbage collection will begin one hour earlier than the Winter Schedule.

Citizens should be aware that actual collection at their residence or place of business may occur more than an hour earlier due to a combination of the earlier start time and lighter traffic volumes at the earlier starting time.

PLEASE CALL 352-NEWS TO SCHEDULE AN INTERVIEW.
