TRAFFIC ALERT

Werk Road Closure

The installation of new gas main by Duke Energy is continuing on Harrison Avenue. As part of this project, Werk Road will be closed this weekend between Werkastle Lane and Harrison Avenue. Traffic will be detoured around the closure using McKinley Avenue. The closure and detour will be installed on Saturday, 12-5-09 at 7AM, and will remain in place until Sunday, 12-6-09 at 6PM.

Drivers are encouraged to reduce their speed and use caution when approaching the closure area.
