Jobs Created

A job created is a new position created and filled, or an existing unfilled position that is filled, that is funded by the Recovery Act. Reported ARRA hours should only include hours spent on ARRA (Recovery Act) funded activites, ARRA (Recovery Act) funded overtime, or paid leave such as sick leave or vacation. A funded job is defined as one in which the wages or salaries are either paid for or will be reimbursed with Recovery Act funding. Vendor or Contractor job creation should be counted, but not limited to, when goods or services are purchased with ARRA (Recovery Act) funding exceeding $500,000.
