

## RETIREMENT BENEFIT WAIVER

The City of Cincinnati Retirement System provides that if you have at least five (5) years of service and you leave City service, you may defer your retirement until age 60.

At age 60, you will be eligible to begin receiving your retirement benefit from the System. In order to take advantage of this deferred retirement option, you must:

- ◆ Apply for deferred retirement within one year of your employment termination date.
- ◆ Pay any outstanding loan within one year of leaving City service.

I understand that by withdrawing my accumulated contributions I waive my rights to all current and future benefits provided by the City of Cincinnati Retirement System.
