

Policies and Procedures:

The electronic version of the City of Cincinnati's Department of Human Resources Policies and Procedures (HRP&P), was created for convenience and accessibility for employees and other interested parties. In addition to the electronic files, the HR Department maintains the hard copies of the documents, complete with signatures on file.

A 24-hour request for copies of the original signed document or documents is required.

Hilary Bohannon – Director of Human Resources

Lisa Berning – Employee Relations
