FirstGroup's filling 100 jobs

FirstGroup America, North America's largest mass transit company, is looking to fill 100 new corporate jobs including 60 information technology positions this summer at its corporate offices, 600 Vine St., downtown.

The company, which employs about 400 downtown, will hold a recruiting open house Monday from 11 a.m. to 6 p.m. at its Vine Street offices.

Candidates are encouraged to bring their resume and be prepared for on-the-spot interviews. Recruiters are looking for qualified IT project managers, business analysts, data base administrators and quality control professionals, a spokesman said.

Similar job fairs will follow in coming weeks for experienced network engineers, developers, systems analysts, and AP/AR professionals. For more information and specific job descriptions, go to firstgroupamerica.com/careers or email fga.careers@firstgroup.com.
