## City of Cincinnati Electric Car Incentive Program Policies & Procedures

On November 26, 2008, Cincinnati City Council passed a motion that modified City parking regulations to allow all-electric cars displaying a city issued sticker to park for free in four specific downtown/city owned parking facilities or at any parking meter that is available at a cost to the general public within the City of Cincinnati city limits.

### Application Process

Electric Car Incentive Program applications can be obtained online at [www.cincinnati-oh.gov](http://www.cincinnati-oh.gov) or in-person from the Office of Environmental Quality 805 Central Avenue – Suite 320. Applicants will be contacted by telephone to set up an appointment for a vehicle inspection. In-person applications will be accepted by appointment only. To schedule an appointment, please contact the Office of Environmental Quality at (513) 352-6991 Monday through Friday 8 am to 5pm.

### City Owned Facilities

Electric Car – Free Parking

#### Only in the following Garages/Lot

Fountain Square South - 416 Vine Street  
Garfield Garage – 13 W. Ninth Street  
Fifth and Race Parking Lot  
Seventh Street Garage – Level 3 Only

Parking is on a first come, first serve basis with NO OVERNIGHT privileges.

### On Street Parking (Parking Meter)

Electric cars will receive free parking for the time permitted by the parking meter. After the initial time frame allowed for the meter the customer would be required to vacate the parking spot.

Electric car parking at a parking meter will not be exempt from the current parking meter restrictions and are subject to current traffic laws, regulations and enforcement.

NOTE: The purpose of on street parking meters is to promote vehicle turnover to support local downtown and Neighborhood Business District (NBD) business.
