

ODOT's I-75 Mill Creek Expressway Project will:

- Close the westbound I-74 Exit ramp to Elmore Street
- Close the Dooley Bypass entrance ramp to I-74 eastbound
- Enhance the I-74 & Colerain Avenue Interchange
- Change traffic patterns in Northside.

The ODOT I-74 project will be completed by the end of 2012.

The Northside Arterial Project will make improvements to Northside streets and intersections to handle the changing traffic patterns.
