

We have an effective quality assurance program to certify adherence to high standards of client care. As a result of our longevity and reputation for providing quality care, we have established excellent working relationships with area hospitals, health care centers and community agencies.

Eligibility

Services are provided to residents of the City of Cincinnati without regard to race, color, creed, handicap or national origin. Board of Health policy makes service available to non-residents in special programs.

Home Health Services

*Caring for clients in the
community for over 85 years*

Home Health Nursing Program

Cincinnati Health Department's Home Health Nursing Program has a long tradition of providing comprehensive nursing services to City of Cincinnati residents.

For over 85 years, the Home Health Nursing Program has provided services in the home setting and is one of the original two organizations in Greater Cincinnati to become an established Medicare-Certified home care agency. This program offers a full range of home health care services to all age groups.

Services

- Skilled nursing care
 - Adult / Geriatric care
 - Maternal, Infant & Pediatric care
 - Lactation consulting
- Medical Social Services
- Home Care Aide
- Community Health Worker
- Physical Therapy *
