Mayor Mallory Celebrates First Year as Mayor

Dear Citizens of Cincinnati,

On December 1, 2005, I took the oath of office and was sworn in as the 68th Mayor of the City of Cincinnati. I made a pledge to work to turn our city around and move us in a new direction. The past year was about building the foundation for a better Cincinnati. Change is happening and results can be seen.

I invite you to read my Year One program report entitled *Building the Foundation for Our Future*. It highlights our accomplishments in the key areas of focus that include public safety, youth and education, neighborhoods, economic development, the environment, regionalism, a more effective and efficient government, and re-building our national profile.

I am deeply honored and humbled at having the opportunity to represent you as your Mayor. While we have momentum, there is still work ahead of us. I look forward to our continued partnership as we move toward strengthening and growing Cincinnati.

Sincerely,

Mayor Mark Mallory
