DECLARATION CONTRACT FOR GEOTECHNICAL ENGINEERING SERVICES

For Excavation and / or Fill or foundation work located at _____

I acknowledge that _____

has been retained by _____

(Owner/Permittee) to perform field construction observation and testing to verify that, to the best of our knowledge and belief, that contractor's earthwork is performed in general compliance with the project plans and specifications. We will report discrepancies to the Owner/Permittee with recommendations for correction, and to the City's Department of Buildings and Inspections, if not so corrected within a reasonable time. Our contract permits us to suitably perform these services under the direction of a Registered Professional Geotechnical Engineer, and a summary report pursuant to Section 1101-39.2 of the Cincinnati Building Code will be submitted upon completion of the work.

_____ P.E. _____
(Date)

I hereby acknowledge that the above named individual or firm is authorized to perform the services described above, and that I will insure prompt compliance with their recommendations.
