Registered Contractor Sub List Abbreviated

Instructions:

Please choose the form that best fits the size of your job. This form is the abbreviated version of the log form and it contains the construction categories typically listed as sub contractors on a smaller project. For your convenience there is an long form that can be used for larger jobs.

- 1) For applicable categories, fill out the contractors name and registration number completely.
- 2) If at the time of application the contractor has not been determined, please indicate by placing TBD in the contractor field.
- 3) If a category does not apply, please strike through the category or place N/A in the contractor field.
