Recycle MORE in 2014!

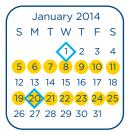

The City of Cincinnati is working to keep the city clean and green, and here is how you can help!

- 1. Use your city issued trash and recycling carts and recycle everything you can.
- 2. Participate in the city's seasonal yard waste collection program starting in April 2014.
- 3. For recycling services, call the **Recycling Hotline at 352-3200.**

"Gold Week" Collection Schedule

Holiday: If one of the highlighted holidays falls on a weekday on or before your collection day, service will be delayed one day during that week.

Friendly Reminders

- Recycling and yard waste are collected every-other-week. Please place your recycling cart and separate yard waste containers at the curb on your trash day during the weeks highlighted. Trash collection will continue to be weekly. Separate yard waste collection will resume in April 2014.
- Place recycling cart (and trash cart) at the curb by 6 a.m. on your regular collection day but please don't put out your containers out before 5 p.m. the prior evening.
- Recycling cart (and trash cart) must be removed from the curb before the end of the day on which your waste
 was collected.
- The recycling cart must remain at the address to which it was delivered. If you move, leave the cart for the next resident. If there is not a cart at your new address, call the city at 352-3200 to report the missing cart and request new delivery.
- Keep track of your collection schedule and set-up reminders with the new Cincinnati City Hall mobile app available on the APP store and Google Play.
