

Recycle More in 2021!

Help keep the City of Cincinnati Clean and Green this year by following these simple guidelines:

- 1** Use your city issued recycling cart to collect your recyclables. Remember, the cart is the property of the City and must stay with the address.
- 2** Review Rumpke's acceptable item list to make sure you are recycling only those items. **Items should be loose in the cart—do not place items in plastic bags.**
- 3** Place your city issued recycling cart at the curb by 6 a.m. on your designated recycling collection weeks highlighted in **green** below. Trash collection is weekly; recycling collection is every-other-week. Remember to remove your cart from the curb by midnight on your day of service.

Friendly Reminders

- To report missed recycling pickup, use Fix it Cincy! mobile app or visit 5916000.com. Select "trash, litter and recycling" and "Recycling, report a missed green cart pick-up." Once request is submitted, leave carts at the curb for next 24-hours to allow for service.
- Do not recycle the following in your cart: plastic bags, batteries, clothing, pots & pans. Visit HamiltonCountyRecycles.org for information on how to recycle items not accepted curbside.
- If there is not a cart at your new address, call the City at (513) 352-3200 to report the missing cart and request a new cart delivery.
- Yard waste is collected every-other-week April through the second week of January and is collected on the same day as your recycling. Yard waste cannot be placed in your green recycling cart— it must be placed in clearly marked cans with handles, paper bags designed for yard waste, or bundled with heavy twine or cotton rope. For yard waste questions, call: (513) 591-6000.

Please place the following items into your recycling cart:

METAL CANS

Metal lids OK.

PLASTIC BOTTLES, JUGS & TUBS

Reattach lid.
Yogurt and fruit cups OK.

GLASS BOTTLES & JARS

Any color. Reattach lid.

Recycling should be loose in recycling carts. Don't bag. As a reminder, plastic bags aren't accepted in the curbside recycling program.
