

Effective January 1, 2011 Medco Health Solutions, Inc. will be the new administrator of the CRS prescription drug benefits. Anthem will continue to administer the CRS medical benefits. You will continue to present your Anthem ID card when receiving services from various medical care providers. Starting January 1, 2011 you will need to present your Medco ID card when filling prescriptions at retail pharmacies. To learn more about Medco, please visit their website at www.medco.com. You will be able to register once you have your member identification number. Plan information is available by calling MEDCO Customer Service at 1-877-508-4854.
