

CCA Board Meeting Agenda September 9, 2026

1. Call to order

2. Introduction by Chair John J. Williams

The Citizen Complaint Authority was established in 2003 under the Collaborative Agreement and a Memorandum of Agreement with the U.S. Department of Justice. We are a seven-member board with a professional investigative staff, headed by a director. Staff investigates allegations of misconduct by police officers and, through the director, forwards the findings and recommendations to the board. Our decisions are based upon a legal standard known as a "preponderance of the evidence." *Simply stated, the question is, "Does the greater weight of the evidence favor one side or the other?"* Our area of inquiry is solely whether the officer's actions conformed to Cincinnati Police Department policies, procedures and training.

Our findings generally will be one of the following: (1) Unfounded: where the investigation determined no fact to support that the incident actually occurred; (2) Sustained: where the allegation is supported by sufficient evidence to determine the incident occurred and the actions of the officer were improper; (3) Not sustained: where there are insufficient facts to determine whether the alleged misconduct occurred; and (4) Exonerated: where the greater weight of the evidence indicates the alleged conduct did occur but did not violate police department policies, procedures and training. Our findings and recommendations are forwarded to the City Manager for final determination.

3. Mission Statement

Per Article XXVIII., the Citizen Complaint Authority's (CCA) mission will be to investigate serious interventions by police officers, including but not limited to, shots fired, deaths in custody and major uses of force, and to review and resolve citizen complaints in a fair and efficient manner.
