Item #: 201800417
MOTION, submitted by Councilmembers Young, Sittenfeld, Landsman, Dennard and Seelbach, WE MOVE that the Administration draft an ordinance to make the following amendments to Chapter 318 and 320 of the Cincinnati Municipal Code: 1) Amend Chapter 320 to recognize the updated MBE/WBE inclusion categories adopted by Council in 2015, allowing these to match with waivers and contract exemptions of SBE program participants within Chapter 320. This ensures smaller, minority businesses continue to participate as is (and can continue to grow). 2. Amend Chapter 320 to clarify that project-specific partnerships between a Bidder/Contractor and an Apprenticeship Program for the Primary Apprenticeable Occupation qualifies the bid. This ensures any bidders can be the prime contractor by partnering with a qualified apprenticeship. 3) Amend Chapter 320-3 to clarify that the 10-day response period includes proof of qualifying for the Apprenticeship Requirements listed in 320-5. This ensures an efficient bidding process allowing all bidders to comply. 4) Amend Chapter 320 to remove language referring to the now defunct Department of Sewers, placing administration of Chapter 320 under the Department of Economic Inclusion. 5) Review, for a period of no more than 6-months, Chapter 318 to correct significant flaws, which currently incentivize the hiring of Kentucky & Indiana workers while disincentivizing the hiring of Cincinnati & Hamilton County workers. If the Administration prefers, include in the ordinance a suspension of Chapter 318 to allow time to correct these flaws and ensure local laws support not undermine the hiring of local workers and contracting with minority & women owned firms.
