

REIGNITE CINCY

SAFE DINING REQUIREMENTS

Failure to comply with these requirements can result in citations, fines, or other action as determined by the City of Cincinnati and State of Ohio.

Ensure minimum of 6 feet between employees

If not possible, utilize barriers if applicable and increase the frequency of surface cleaning, handwashing, and monitor compliance.

Ensure a minimum of 6 feet between parties

When waiting and when dining - utilize barriers or other protective devices. This includes bar seating.

Businesses must require all employees to wear facial coverings

Exceptions can be made for reasons listed by the State of Ohio. Additional information can be found at <https://bit.ly/3g3BCtJ>

Establish and post maximum dining area capacity

Using updated COVID-19 compliant floor plans. With maximum party size per state guidelines (currently 10)

Customers must remain seated

Self-service must be removed and customers should stay at their tables.

Perform daily cleaning (front and back of facility)

Clean and sanitize tabletops, chairs, and menus between seatings. Clean all high touch areas (door handles, light switches, phones, pens, touch screens) every 2 hours or more frequently as needed.

SAFE DINING RECOMMENDATIONS

Encourage customers to utilize reservation options

Scheduled options allow for less crowding in waiting areas and sidewalks outside of dining establishments.

Utilize disposable menus when possible.

Disposable menus decrease the risk of cross-contamination between customers and staff.

Encourage at-risk population to utilize alternative options

This may include using the drive-thru, pick-up, call-in, curbside, or delivery options.

Enhance weekly deep cleaning checklists.

Consider posting communication to indicate table has been cleaned.

Health questions for symptoms posted at the entrance

Per the CDC, symptoms include cough, shortness of breath, difficulty breathing, fever, chills, repeated shaking with chills, muscle pain, headaches, sore throat, and new loss of taste or smell.

Face coverings are recommended at all times, except when eating

Coverings should still be utilized when entering restaurants.
