Subject: VALET PARKING OPERATIONS

Valet Operations in the City of Cincinnati are subject to provisions of Chapter 414 of the Cincinnati Municipal Code (CMC).

Section 414-9 provides:

Upon the recommendation of the valet parking board the city manager, or the manager's designee, may issue a valet parking permit to a valet parking business enabling the provider to be the exclusive provider, or the temporary provider, of valet parking services in a valet zone. The permit may limit the hours and days for the provision of exclusive service, and may call for payment to the city for the exclusive right. In addition, the permit shall require the valet parking business to pay the parking meters during the hours of operation. The permit may contain additional provisions which, in the opinion of the city manager, or the manager's designee, are in the best interest of the city.

As of July 1, 2015 Valet providers will be charged a valet zone fee for the exclusive use of a valet zone. A summary and schedule of the fees is below.

In January 2015 the active hours of parking meters in the City of Cincinnati were extended to include the hours of 5pm to 9pm. Consequently valet operations overlap with the active operation of parking meters resulting in the need for the collection of parking meter fees. Effective July 1, 2015, affected valet operators will be billed quarterly by the Parking Facilities Division for parking meter costs in accordance with the operating hours specified in their approved valet permit. Valet operators will be allowed to apply for a credit of their parking meter costs in the event they experience involuntary loss of use of their valet zone (i.e. special events, construction, illegally parked vehicles).

A permanent valet zone is designated by City installed signage. Permanent Valet Zones in place as of July 1, 2015 are subject to renewal fees.

A current operator is a valet parking business that has received an approved valet parking permit within the 12 months previous to submitting an application.

Permanent Valet Zones

The non-refundable Valet Zone Application fee is due at the time of application. The Valet Zone fee will be due prior to issuance of a permit.

Temporary Valet Zones

Current Operators; Application fee (renewal) is due prior to issuance of a temporary valet zone permit.

*Any temporary operations outside the above-designated hours of operation must be authorized by the Police Department. Any special events in the area and/or any public emergencies such as roadbed failure, etc... that require street closures will supersede this authorization.

By submitting this Application for a Valet Parking Operation Permit, the Valet Parking Business understands, acknowledges, and agrees to the following:

1. All valet operations are subject to the requirements of Cincinnati Municipal Code Chapter 414.
2. The valet operator may only display one sidewalk sandwich board in accordance with the terms of Cincinnati Municipal Code section 723-12.
3. Valet operators must hire sufficient valet personnel and arrange for nearby garage space. This will minimize unnecessary congestion and delays to through traffic in front of the business. Proof of an agreement for the provision of necessary off-street parking spaces to accommodate the requested valet zone must be attached to this application.
4. Only drop off/pickup operations are authorized within any valet zone, and vehicle staging is limited to 15 minutes. Valet operators must not allow for long term parking within a valet zone.
5. The Valet Parking Business must immediately notify the Valet Board if the valet service is terminated or if there is any change to the operating hours of the valet. Under no circumstances shall the valet operator lengthen the operating hours without the approval of the Valet Board.
6. The Valet Board will determine the need and space of the valet zone based on business operations and adjoining curb use.
7. zone and curb control to ensure safe and efficient vehicular and pedestrian flow.
8. Any valet service authorized under this application is open to the public, as this valet zone is within the public right of way, and shall not be restricted to the patrons of any individual business establishment(s).
9. If approved without any contingencies that provide for temporary service, the permit shall be in effect through December 31 of the permit year. Applications for the renewal of a valet parking operator permit shall be made to the Valet Board ***not less than sixty (60) days prior to the expiration of the permit to be renewed.***
10. Each application for a valet parking operation permit shall require the sign-off of a Sponsoring Business that desires to sponsor the Valet Parking Business to provide valet services that will benefit its patrons as well as the general public. The Sponsoring Business must be located on the same side of the street and within 100 feet of the proposed valet zone. Any application submitted without a proper Sponsoring Business will be rejected.
11. The Valet Board may conduct a review of the valet zone or the Valet Parking Business at any time and for any reason. The Valet Board, at its sole discretion, may terminate this Agreement or remove a specified valet zone as a result of the review.
12. Valet Parking Business acknowledges that it does not have any sort of property right or interest in the valet zone, as it is part of the public right-of-way and must be used in the best interest of the public, as determined by the City of Cincinnati.
13. Valet Parking Business shall provide proof of, and keep in effect, a minimum of \$1,000,000 liability insurance per occurrence, \$1,000,000 property damage per occurrence, and \$1,000,000 garage keepers' liability per occurrence. Such policy shall name the City of Cincinnati as an additional insured. No such policy shall be subject to cancellation except upon ten days notice to the Valet Parking Board.
