**It Could Save Your Life**

Smart911 allows you to plan ahead for any emergency by creating a Safety Profile with the information you want 9-1-1 to be aware of when you call.

## What Can My Smart911 Safety Profile Include?

### Family

Include all members of your household, including their photos. You can also add all landlines and mobile numbers and who they belong to.

### Address Details

Let responders know how to access your home, bedrooms, utility shut offs, and if you live in a multi-unit building.

### Medical

EMS can be aware of medical conditions, medications, and if special equipment will be needed in an emergency.

### Animals

Add your pets, service animals, and livestock, including their names and vet information so responders are aware of them if they need to enter your home.

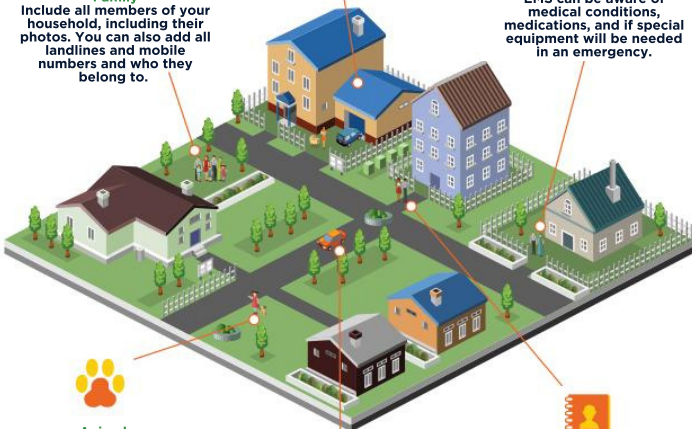

### Vehicles

Add details such as make, model, and license plate number in the event of an accident.

### Emergency Contacts

Include family members, friends, or neighbors who should be contacted in the event of an emergency.
