CD-ROM/DVD FILING—MEDIA\DATA REQUIREMENTS

What are the media requirements for CD-ROMs and DVDs?

CD-ROM and DVD: Do not create the CD-R with the option that it must always be read from a specific disc drive letter.

What are the data requirements for CD-ROMs and DVDs?

Data must be recorded in the American Standard Code for Information Interchange-1 (ASCII-1) character set. (Refer to Appendix D).

Use the file name **W2REPORT.TXT**

Do not include more than one W2REPORT.TXT file per CD-ROM or DVD.

Do not include any other files on the CD-ROM or DVD.

We encourage you to file combined reports to avoid creating a separate file and a CD-ROM or DVD for each employer by filing many employers' reports on a single CD-ROM or DVD. (Review EFW2 to see how multiple employers can be combined into one file).

We prefer files with record delimiters. Record delimiters (CR—Carriage Return followed by LF—Line Feed) must follow the last character of each record except the Code RF record.

Do not place record delimiters after a field within a record.

Do not place a record delimiter before the first record of the file.

A record delimiter should appear immediately after the last character of each record.

The record delimiter must consist of two characters and those two characters must be carriage return and line feed (CR/LF).

The ASCII-1 hexadecimal value for the carriage return character is 0D (zero and letter D); the ASCII-1 hexadecimal value for the line feed is 0A (zero and letter A). The ASCII-1 decimal values for the two characters are 13 and 10, respectively.

Do not place more than one record delimiter (more than one carriage return/line feed combination) following a record.

May I compress the file I send you on a CD-ROM or DVD?

No

How do I label my CD-ROM or DVD?

Affix an external label like the one shown. Label fill-ins must agree with the Code RA record data. Instructions for the label are as follows:

EIN	Enter Submitter's EIN
NAME	Enter Submitter's name
CITY	Enter Submitter's city
ST	Enter Submitter's state
ZIP CODE	Enter Submitter's zip code
PHONE NUMBER	Enter Submitter's telephone number

SSA AWR EFW2
EIN: _____
NAME: _____
CITY: _____ ST: _____
ZIP CODE: _____ PHONE NUMBER: _____

Insert each CD-ROM or DVD in its own protective sleeve or case before packaging.
Send the CD-ROM or DVD in a container to prevent damage in transit.
Use disposable containers. Special mailers for CD-ROMs or DVDs are available commercially.
