

# PREVENTION EDUCATION

## *Whitney/Strong Rules of Firearm Safety*

**S**

Store firearms and ammunition in separate locked locations, inaccessible to children and prohibited persons.

**T**

Treat every firearm as if it were loaded.

**R**

Remove ammunition from firearms when not in use and lock with a device to prevent operation.

**O**

Only touch the trigger when ready to fire. Keep finger outside trigger guard.

**N**

Never point a firearm at anything you do not intend to destroy.

**G**

Guide everyone you know to become familiar with these basic firearm safety practices.
