Concentrated Code Enforcement	Inspections of homes and businesses are conducted in low to moderate census tracts throughout the city by the City of Cincinnati Department of Buildings and Inspections' code enforcement inspectors. Corrections achieved through Concentrated Code Enforcement (CCE) include repairing porches, roofs, windows, and siding, painting, and removal of dilapidated garages, fences and sheds. Owners receiving orders are informed of funding availability through the Department of Community and Economic Development to correct violations. Targeted areas are identified through an analysis of building code violations, vacant buildings, disorder and drug calls, drug arrests, as well as incidence of graffiti, junk autos, litter and weeds. Integrated services include concentrating building code enforcement, identifying crime hot spots, cleaning up streets, sidewalks, and vacant lots, beautifying landscapes, streetscapes and public right of way, and engaging property owners and residents to create and sustain a more livable neighborhood.
