2026 HOUSEHOLD SEWAGE SYSTEM SERVICE PROVIDERS

The companies listed below are licensed to do business within the City of Cincinnati Health Department jurisdiction. Companies performing household sewage system work within the city limits that are not listed on this document are in violation of the Ohio Administrative Code (OAC) and the Cincinnati Board of Health regulation (BOH).

The Cincinnati Health Department DOES NOT recommend or endorse any one company. You are advised to contact several companies and check their references prior to hiring them. Footnotes indicate companies that have provided information showing they are authorized to service specific types of systems. Companies with no footnotes may only service systems that were installed prior to 2007.
