

Clifton Neighborhood Plan Change Log

9/30/2026

This change log reflects substantial updates made to the text of the Clifton Neighborhood Plan based on the latest round of engagement. It does not include grammar, spelling, or name updates, though those were also made.

Page	Previous	Updated
12 (and other instances)	Community Goal 1: Clifton is a great place to work, live, raise a family, and age in place.	Community Goal 1: Clifton is a great place to work, study, live, raise a family, and age in place.
42		Median household income adjusted for inflation.
46		Home value and median rent adjusted for inflation.
49		Trend 5 and 10 adjusted to reflect income adjusted values.
51		Added: "The Miami and Erie Canal, a significant transportation corridor, ran along this border from 1825 to 1913."
77	Provide all Clifton children with access to a range of educational opportunities in the neighborhood.	Provide all Clifton children with access to a range of attainable educational opportunities in the neighborhood.
80	Expand public art, community murals, and creative placemaking elements, such as Paint the Streets and utility box artwork, that reimagine public spaces to engage visitors.	Expand public art, community murals, and creative placemaking elements, such as Paint the Streets, utility box artwork, and historic trail markers, that reimagine public spaces to engage visitors.
82		New Action Step: "Collaborate with Cincinnati Public Schools to support the presence and future growth of public schools in Clifton."
89		Inserted additional Action Step: "Develop and implement a Clifton Home Sign Program, using examples such as the Columbia Tusculum Home Sign Program run by The Carnegie Center." Previous action step numbers updated.
90	Establish the Local Historic District with the City of Cincinnati	Establish the Local Historic District with the City of Cincinnati, as informed by resident engagement.
