

MT. WASHINGTON NEIGHBORHOOD PLAN

WALK MT. WASHINGTON

HOW DO YOU SEE
YOUR NEIGHBORHOOD?

OPTION 1 - GROUP WALKING TOURS

Join your neighbors to walk the neighborhood with some guiding questions, take pictures, and share your thoughts.

As you walk around, please post your photos on Instagram/Facebook with the following 3 elements*

1. Hashtag #WalkMtWashington
2. Where the photo was taken
3. What inspired you to take the photo

OPTION 2 - INDEPENDENT WALKING TOUR

If you cannot make either walking tour date, you can still participate by taking a walk on your own or with some friends and sharing your photos and captions online with the hashtag #WalkMtWashington.

*Important Notes:

- Posts from private accounts will not be visible by non-followers
- If you do not have social media or do not want to post, please upload your photo(s) and caption(s) to the Plan website at <https://www.cincinnati-oh.gov/mt-washington-plan>

GUIDING QUESTIONS

These questions are to spark thoughts and conversations related to the different theme working groups, but the list is not exhaustive. **Take pictures of anything that inspires you or gives you an idea for Mt. Washington's future!**

HOUSING (Chair: Rita Seith seith.rita@gmail.com)

1. How many different architectural styles of housing can you find?
2. Where do you notice different densities? (single-family homes on large properties/ smaller lots, duplexes, four-unit buildings, 5+ unit buildings)
3. What aspects contribute to a home's "curb appeal" in Mt. Washington?
4. What makes a property look poorly maintained?

PARKS & GREENSPACE (Chair: Zimani Betts zimanibetts@gmail.com)

1. Where do you notice greenspace outside of parks?
2. Where is there good tree canopy? Where is there not?
3. Do you see spaces that could make a good pocket park, pollinator garden, etc.?
4. Is playground equipment in good condition? What ages are served by the equipment?

MOBILITY & CONNECTIVITY (Chair: Frank Busofsky fbusofsky@gmail.com)

1. What elements make you feel safe as a pedestrian?
2. Where do you feel unsafe walking or biking in the neighborhood?
3. Are there places you want to see a crosswalk, speed hump, etc.?
4. How is the quality of the sidewalks/crosswalks/bike lanes/road?

ECONOMIC DEVELOPMENT/PLACEMAKING (Chairs: Emily Silvius esilvius@mkskstudios.com & Sophie Roberto sophie.roberto@icloud.com)

1. What makes a business look/feel inviting?
2. Where do you see people hanging out? Do you see any potential future gathering spaces?
3. What wayfinding elements do you see, and are there places where it could be helpful but is missing? (E.g. parking signage)

QUALITY OF LIFE/HEALTH & WELLNESS (Chair: Tasha Ring tasha@meridian-learning.org)

1. Lots of people expressed feeling safe in the neighborhood, but less safe at night. What things do you see that make Mt. Washington feel safe?
2. Are there places that could use additional lighting or something else to make the area feel safer?
