

**NOTICE OF A VIRTUAL PUBLIC STAFF CONFERENCE
TO CONSIDER THE ADOPTION OF AN URBAN PARKING OVERLAY
DISTRICT IN A PORTION OF THE WEST END**

On August 7, 2013, Cincinnati City Council amended the Zoning Code to add § 1425-04 - Urban Parking Overlay Districts, which allows City Council to establish Urban Parking Overlay Districts which remove all parking regulations within the Overlay District boundary.

The West End Community Council has requested an Urban Parking Overlay District (UPOD) along Linn Street, from Court Street to York Street in the West End (see map on reverse). If approved, the off-street parking requirements required by the Zoning Code within the UPOD will not apply, so off-street parking will not have to be provided within this boundary.

The purpose of this meeting is to gather public comment to be used in staff's report to the City Planning Commission and City Council. You are receiving this notice because you are a property owner within 400-feet of the proposed Urban Parking Overlay District and will have an opportunity to speak at the following public meeting:

DATE: Tuesday, July 26, 2022

TIME: 4:00 p.m.

PLACE: The meeting will be held virtually via Zoom. Please send a request to the Stacey.Hoffman@cincinnati-oh.gov for the meeting link to join and it will be sent directly to you.
