STATEMENT AND EXPLANATION OF THE RATIONALE GOVERNING THE CRITICAL IMPORTANCE OF INSURING THE RECRUITMENT AND SELECTION OF APPLICANTS WITH THE HIGHEST POSSIBLE POTENTIALS FOR SUCCESS AS A POLICE RECRUIT

1. Protection of lives, security, public welfare, quality of life and property rights are at stake.
2. In pursuit of their mandate to protect and serve the public, police personnel must be prepared to react in split-second fashion with due restraint, to life-threatening crises and/or matters dealing with private domain—even intimate aspects of individuals' lives. This responsibility requires that safety personnel possess the mental skills, physical agility, self-discipline, emotional maturity and judgment to balance authority with compassion and proceed in a professional manner.
3. Unquestionably, the demands imposed on these positions are extraordinarily sensitive. Consequently, the selection procedures must be extraordinarily sensitive. It is critically important to ascertain if there are adverse factors which will prevent an individual from performing his/her duties in an efficient, professional manner.
4. A very critical component of the selection process is the Personal History Questionnaire (PHQ). It enables an applicant to organize his/her responses to relevant questions and present them in a comprehensive attested document.

EXPLANATION OF THE PURPOSE, USE AND IMPORTANCE OF THE PHQ

It is important that you understand the purpose of this form and the objective professional manner in which we will treat the information you provide before you begin to complete this PHQ.

We want you to consider the PHQ as an opportunity to organize and present relevant information about yourself. This information will assist us in gaining an accurate picture of your background to be used as one of the basis for our appraisal of the "appropriateness of fit" between you and the position for which you are applying. Other tools which may be used are your self-presentation in interviews, and Behavior Assessment.

Additionally, we want you to know that we not only consider the facts presented, but we also consider your explanations surrounding the facts. That is why it is so critically important that you make a special effort to answer all questions completely, truthfully and thoughtfully. There are many opportunities within the form for you to offer an explanation of facts or circumstances. The Civil Service Commission now allows inquiries into arrest records as an opportunity for you to offer an explanation of the circumstances surrounding that arrest. No one will be eliminated from the process based on an arrest record alone.

We will take an overview of the information that you provide and treat it in a "profile" manner which enables us to make judgments about your background as well as analyze specific areas. Using a full scope of information, we can judge the overall balance of your strengths and limitations so that our judgments about your eligibility are not unduly influenced by narrow or isolated bits of information. In analyzing your background in the various profiled areas, we are looking for evidence of your sense of responsibility, self-discipline, emotional maturity and the ability to exercise good judgment as you meet the demands of living in our contemporary society.

All questions must be answered. If a question does not apply to your particular circumstance, insert DNA (Does Not Apply) in the proper blank.

Use the available option to add information to a particular question. Do not leave out information due to lack of space.

OBLIGATION TO ANSWER ALL QUESTIONS TRUTHFULLY

There are moral and legal obligations to complete this PHQ in a truthful, fully informative manner. Be fully truthful and do not evade questions. All information is subject to verification via home visits, source documentation, polygraph (lie detector) examination, etc.

The Ohio Revised Code, rules and regulations of the City of Cincinnati, Ohio, Cincinnati's Municipal Code and Civil Service Commission Rules provide penalties for making a false statement of a material fact or for practicing fraud or deception in obtaining or attempting to obtain municipal employment. Such penalties include rejection for appointment or discharge after appointment and/or prosecution under Ohio Revised Code Section 2921.13.

I acknowledge reading and understanding this information.

I voluntarily withdraw from the selection process.

I understand and will comply with the selection process.
