KIDS SAFETY

• Always look both ways before crossing the tracks. Never cross in front of a moving streetcar since streetcars cannot stop quickly.

• Obey all signs and traffic signals.

• Streetcars are very quiet, so pay attention and don’t use headphones, hand-held games or mobile devices near streetcar tracks.

• Never cross or run in front of an approaching streetcar or between two stopped vehicles.

• Wait until traffic has stopped before crossing and only cross at designated crosswalks. Just because you see the driver doesn’t mean the driver sees you.

• Ride bikes across the tracks at a right angle or in a straight line.
